

ESCURA OPENS NEW OFFICES IN CALAFELL

Escura Tarragona, formerly Grup Vandellòs, announces the expansion of its offices in Calafell and Vendrell (Tarragona), which will be operational from May 10th, the date on which will be the opening.

The main objective of the expansion is to improve the quality of service that the office offers to its clients after the solid growth of Escura.

The integration of Grup Vandellòs and Escura at the beginning of 2018 involved the configuration of one of the leading law and economists firms in Catalonia, both for territorial coverage and for the specialties of services rendered to companies.

The opening will consist on an open day throughout the Friday May 10th for all the customers and friends from the office. At 5:00 pm the official act will take place, chaired by the mayor of Calafell, members of the Regional Council, presidents of the Bussiness associations of the region.

Escura is a firm composed by lawyers, economists and social graduates from Barcelona with more than 80 professionals. Its mission is to provide a client centered services coupled with a high ethical and quality standards. It is a firm recognized by the main legal guides: Chambers and Partners, Best Lawyers and IFLR1000.
